MISSION STATEMENT

Northeast Ohio Autism Group's purpose is to provide resources for support, education, research, awareness and other related services and programs for individuals affected by autism in the northeast Ohio area.

Northeast Ohio Autism Group is proud to announce that our annual fundraising event will be held on Monday, November 13 at FAHRENHEIT with Chef Rocco Whalen! This consistently sold-out event helps to raise much needed funds for those with autism in northeast Ohio. The event includes many local celebrities as 'guest bartenders' including Andy Baskin, Lauren Brill, Ashley Collins, Tom Cousineau, Jimmy Hanlin, Dawn Kendrick, Andre Knott, Jason Nicholas and Stefani Schaefer.

Autism is a developmental disorder affecting 1 in 68 births, often leaving an inability to communicate and pervasive behavioral problems; there is no known cure.

NEOAG is the only non-profit charity of its kind in our area. We raise and disperse grant monies to local organizations that teach and care for children and adults with autism, helping to give them the best chance possible for success. We have proudly provided support to the following organizations since our inception in 2007:
